Project name : Car resale value prediction

Name : Yaswanth M

1. IBM Cloud Account Creation:

The image shows the IBM Cloud login interface. At the top, there's a dark header with the 'IBM Cloud' logo on the left and navigation links for 'Catalog', 'Cost estimator', and 'Docs' on the right. The main content area has a dark background with a large blue abstract shape. On the left, there's the IBM Cloud logo (a cloud with three lines) and the text 'Log in to IBM Cloud'. Below this, it says 'Don't have an account? [Create an account](#)'. Underneath, there's a 'Sign in with' section. It features a dropdown menu currently showing 'IBMid' with a downward arrow, and a text input field containing the email 'mami19cs071@rmkcet.ac.in'. Below the input field is a prominent blue 'Continue' button with a right-pointing arrow. At the bottom left, there's a link for '[Forgot ID?](#)' and a checkbox labeled 'Remember ID' which is currently unchecked.

4. IBM Watson studio and Watson machine Learning has been created:

The screenshot displays the IBM Watson Studio dashboard with a dark theme. At the top, there are three main navigation links: 'Take a tutorial', 'Work with data', and 'Learn what's new', each with a right-pointing arrow. To the right of these links is a decorative graphic of blue and purple cubes and a magnifying glass. Below the navigation links, the dashboard is divided into several sections:

- Quick start:** A list of five tasks with icons: 'Create data pipelines with DataStage', 'Build customer profiles with IBM Match 360 with Watson', 'Catalog and govern data with Watson Knowledge Catalog', 'Build and manage ML models with Watson Studio', and 'Query data anywhere with Watson Query'.
- Projects:** A section titled 'Projects' with a plus icon. It lists a project named 'car resale value prediction-Deployment' with a timestamp of 'Nov 14, 2022 12:18 PM' and a green status icon.
- New in gallery:** A section titled 'New in gallery' with a sub-header 'SAMPLE PROJECT' and a main title 'AI governance'. It includes a description: 'Tutorials in this project: Build and deploy a machine learning model to predict which applicants qualify for mortgages; Test and validate the model for fairness, accuracy, trustworthiness, and readiness for production'.
- Notifications:** A section titled 'Notifications' with two entries, both marked with green checkmarks: 'Online deployment ready' for 'Model Building in space models' and 'Online deployment ready' for 'newdeployment in space models', both indicating they are ready to accept requests.
- Deployments:** A section titled 'Deployments' with a plus icon. It lists a deployment named 'models' with a timestamp of 'Nov 14, 2022 12:48 PM'.

A 'Feedback' button is located in the bottom right corner of the dashboard.
